LAWN GRASS SEEDS

Making a lawn is a job that most of us only have to undertake once or twice in a life-time. We build lawns for permanence, and for that reason we **SHOULD** go about it with the utmost care. The soil should be carefully prepared before planting the seeds.

It requires about 10 pounds of Blue Grass seed to 1,000 square feet (Bent seed about 5 pounds). Fertilize with a good commercial fertilizer such as Milorganite, Loma or Soil-tone, using 100 pounds to 2,500 square feet and cover with Peat Moss. (1 bale covers about 800 square feet).

We are always pleased to help you with your lawn problems.

These prices are **NOT PREPAID**. If wanted by mail, include postage at the regular zone rates. **NO SALES TAX ON SEEDS.**

The SIMPSON SEED CO., warrants to the extent of the purchase price that seeds, plants or bulbs sold are described on the contained within recognized tolerances. Seller gives no other or further warranty, express or implied.

Giant SPENCER SWEET PEAS

Our Sweet Pea seeds are the best obtainable from reliable growers, and produce giant ruffled flowers, usually three and four or more, to a stem.

CULTURE. Plant as soon as ground is workable in the spring, one inch deep and ½ inch apart in a furrow 4 inches deep. When plants are about 2½ inches tall, thin out to 3 inches apart, and gradually fill in the furrow to ground level as plants grow. Soaking the seed in a solution of Nitragin bacteria will greatly increase size and brilliance of blooms.

Simpson's PERENNIAL FLOWER SEED

See Pages 16 and 17
for Perennial PLANTS

PERENNIAL FLOWERS are the hardy, permanent ones that should live for years. They flower each year and die down to the roots which remain alive. Some flower the first year from seed if sown early, although two seasons are usually required before they produce their blooms. Perennial seeds can also be planted in the late summer.

Hardy PERENNIAL PLANTS

See Page 9 for
Perennial FLOWER SEEDS

Perennial plants recommend themselves to most gardeners, because once established, they practically take care of themselves, and come back each season for many years. However, generous plantings of annuals is desirable because the blooming season for most perennials is limited, whereas annuals bloom throughout the summer.

Each 60c; 3 for \$1.65; 6 for \$3.00, unless otherwise priced. If by Mail, add postage; 3 plants 43c; 6 plants 63c.
